NOTICE OF WITHHOLDING ON DISTRIBUTIONS FROM IRAS

Please read carefully before completing the IRA Withdrawal Form

Your IRA distributions, other than Roth IRA distributions and Direct Rollovers, are subject to federal (and, in some cases, state) income tax withholding unless you elect not to have withholding apply. Withholding will apply to the gross amount of each distribution, even if you have made non-deductible contributions. Moreover, failure to provide a U.S. residential address will result in 10% federal income tax withholding (and possible state income tax withholding) on the distribution proceeds, even if you have elected not to have tax withheld (an IRS requirement as applicable). A Post Office Box does not qualify as a residential address.

If you elect to have withholding apply (by indicating so on the distribution request form, by making no choice, or by not providing a U.S. residential address), federal income tax will be withheld from your IRA distribution(s) (excluding Roth IRA distributions) at a rate of at least ten percent (10%). Federal income tax will not be withheld from Direct Rollovers or distributions from a Roth IRA unless you elect to have such tax withheld.

Important: state tax withholding information: We will withhold state tax in accordance with the respective state's rules if, at the time of distribution, your address of record is within a mandatory withholding state and you have federal income tax withheld.

State tax withholding rules can change; please consult with your tax advisor to obtain the most up-to-date information pertaining to your state.

Whether or not you elect to have federal and, if applicable, state income tax withheld, you are still responsible for the full payment of federal income tax, any state tax or local taxes, and any penalties which may apply to your distribution(s). Whether or not you elect to have withholding apply (by indicating so on the distribution form), you may be responsible for payment of estimated taxes. You may incur penalties under the IRS and applicable state tax rules if your estimated tax payments are not sufficient.

If you are not a U.S. person (including a U.S. resident alien), you must submit IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding, with the distribution request form to claim tax treaty benefits, and a reduced federal income tax withholding rate, if applicable. Otherwise payments are subject to the 30% nonresident alien federal income tax withholding rate. To obtain Form W-8BEN, please consult your tax advisor or go to the IRS website at http://www.irs.gov.

Distribution Processing Fees: A distribution fee of \$50 will apply to all one-time distribution elections. Installment payments will be assessed a fee of \$50, divided by the number of payments elected over a 12-month period (installment frequency). Please be sure to provide complete and accurate payable instructions (provide an attachment, if necessary); fees for check stop-payment and reprocessing are \$50 and \$75, respectively.
